Know your 'Health Partner'

At Nipo Medicare, we put ourselves in the position of a person whose family member is witnessing a health issue or undergoing a curative treatment. In-depth understanding & empathising with the entire pain & effort which goes into coordinating with multiple healthcare providers at different stages of recuperation – We launched a truly comprehensive **360° 'ONE-STOP SHOP'** for all healthcare & medical needs to make ourselves your Health Partners!

Strongly aligned to the vision of the **Founders who are Doctors themselves**, the core mission is to deliver **affordable, high-quality & customised patient-centric care at home within the confines of loved-ones, comfort & safety in tandem with consistent clinical excellence.**

The team continuously works on **offering a superior experience & holistic healthcare journey** at every stage which includes ease of navigation, transparent connection with healthcare providers & absolute transactional security as per global healthcare norms with gamut of options varying in price & variety to choose as per ones need.

Creating a paradigm shift in healthcare delivery model in India, we not only serve across curative treatments like palliative care for the elderly, chronic care plans for patients with lifestyle diseases, speciality services like intensive care, rehabilitation & physiotherapy amongst others but also focus, motivate & make collaborative efforts with our clients towards **preventive & wellness** bent of mind.

Chosen as the preferred home health care company by several major Hospitals, Health Insurances & TPAs, Corporates, Residential & Educational groups – we have created a **hallmark for home healthcare** with our consistent efforts & practices.

You can't always be there! But We can.

You are putting your trust in us & we understand that. Your loved one's care is your biggest concern. Each of our Nipo Medicare team member exemplifies our values of compassion, confidence & expertise.

We believe in the power of one – on- one care as no tow roads to recovery are the same.

Our commitment to quality in – home care begins with the unique training program to all our representatives.

Irrespective of any service you choose – Nipo Medicare staff shares a deep passion for delivering valuable home care to your family member.

**That's what keeps us going daily.
Because to us, it's personal!**

Our Services

Now all you may need in Healthcare at your doorstep.

MEDICAL & SUPPORT STAFF

Available for 24/12/8 hours OR On-Call visits

NURSE: Certified & hospital experienced staff to take care of complete medical monitoring & treatment at home as per doctor's care plan ranging from chronic, post-surgery or geriatric patients amongst others.

CAREGIVER/ ATTENDANT: Trained to help patients & elderly in all their daily routine activities & maintaining personal hygiene.

BABY CARETAKER (NANNY/JAAPA): Trust us in taking complete care of your baby to support you & making parenthood easy & enjoyable experience for both of you.

PATIENT HOSPITAL ASSISTANT: Full-time with the patient during hospital stay. Also navigate the patient pre & post discharge for all the follow-up visits, paper-work/billing etc. to support the family in every aspect.

PATIENT RELATIONSHIP MANAGER & COUNSELLORS: One Point contact for all needs & queries of patient or their family at any stage.
